Congratulations!

We realize applying for your retirement is a major life event, and we want to make this transition as easy as possible for you.

Important information about your retirement

It's important we receive your Application for Defined Benefit Retirement (Form F-29) 45 – 90 days from your expected retirement date. It may take up to 6 weeks for MERS to review your record. This application period is necessary for us to complete an audit of your employment history and ensure your retirement process begins smoothly. Applying outside this window may delay your first pension payment.

Before you complete the application, log into your personal myMERS account, select your “MERS Defined Benefit” account, then click on “DB Calculator” to calculate your estimated pension benefit. This is a secure online account where you can change your personal information, calculate your estimated benefit amount, and view other resources. If you haven't registered for myMERS, visit www.mersofmich.com and sign up for free today.

Review the benefit calculation to understand your estimated benefit payment amount, various payment options, and choose the option that works best for you. This application requires you to choose your payment option. See the guide (page 7) or [Payment Options video](#) for an explanation of your retirement benefit payment options. The option you elect cannot be changed once you receive your first pension payment.

If you have questions, call our Service Center at 800.767.6377.

In addition:

- If you have contributed to your retirement and elect the **Regular – Straight Life** option, it is strongly suggested you name a beneficiary(ies) to avoid complications with issuing a refund of remaining contributions (if any) in the case of your death.
- If you have elected a payment option that provides a monthly benefit to a beneficiary (**Option II – 100% to Survivor, Option IIA – 75% to Survivor, or Option III – 50% to Survivor**), you only may name *one person*, or an irrevocable trust that has *one person as the trust's beneficiary*. Guide to Completing the Application for Defined Benefit Retirement

1. Information about you

Enter your basic information – legal name, last four digits of your Social Security Number, contact information, and the name of the employer from which you are applying for a MERS retirement as well as marital status.

2. Your retirement

This section refers to the last day you're paid by your employer. This day could include the use of vacation, leave days that you may not actually be present at work but still on your employer's payroll.

Your effective date of retirement is the first day of the month following your last day of employment, or the first date of the month following MERS' receipt of your retirement application, whichever is later.

Termination date =

- Your last day of employment with your employer
- Your last date you were paid by your employer (e.g., kept on payroll due to receiving vacation pay) this date does not reflect your final paycheck date; it reflects the last day you were on payroll with your employer)

EXAMPLE:

Your last day worked is January 20, 2015, + 2 days of vacation pay to keep you on payroll.

Termination date = January 22, 2015

Retirement date = February 1, 2015 (see below)

Note: If you previously terminated your employment, your termination date has already been reported to MERS; you may leave this field blank.

Retirement date =

- First day of the month following your termination of employment with your employer, OR
- First day of the month following MERS receipt of your application for retirement

Note: If you previously terminated your employment, your benefit will be effective the first of the month following your attainment of retirement age and service requirements and MERS receipt of your application.

Payments are not prorated for the month of termination. Retroactive payments are not issued for late applications.

3. Employer certification (this section must be completed by employer prior to submitting application to MERS)

This section must be completed and signed by your employer if you are currently working with the MERS employer you are retiring from.

If you have previously left this employer, this section can be skipped.

4. Retirement benefit payment option

Regular – Straight Life: Highest benefit you are eligible to

receive. Benefits end the month following your death.

If you have contributed to your retirement and elect this option, it is suggested you name a beneficiary(ies). In the event you pass away prior to exhausting your contributions, a refund will be paid to your named beneficiary(ies). You may also name a trust, estate or charity. If no beneficiary is named or survives, any benefit payable will be distributed under the terms of the Plan.

If your employer provides an **RS benefit** and you elect this option, select Regular – Straight Life as your payment option in Section 3. Your spouse at the time of retirement is your beneficiary. An RS is an employer-adopted benefit that allows your spouse to receive a percent (defined by your employer) of your Straight Life benefit upon your death without your benefit having a reduction. To be eligible, you must be married to your spouse for at least one year before you retire, and still be married at the time of your death.

Option II – 100% ; IIA – 75%; and III – 50% to Survivor:

Upon your death your beneficiary will receive 100%, 75%, or 50% of the amount you were receiving for your lifetime.

Once you have received your first payment, you may not name a new beneficiary. If your beneficiary predeceases you, your retirement benefit will revert to the Regular – Straight Life amount for the remainder of your life as long as MERS receives a copy of the death certificate during your lifetime. This reversion will be effective:

- commencing on the month following the month in which your beneficiary dies, if MERS receives the death certificate within 6 months of your beneficiary's death, or
- commencing on the month following the month in which MERS receives your beneficiary's death certificate, if MERS receives the death certificate later than 6 months after your beneficiary's death.

Option IV – Period Certain Guarantee (5, 10, 15, or 20 years):

This option allows you to provide a beneficiary(ies) with survivor benefits for a temporary period of time. The number of years elected cannot exceed your life expectancy.

This option allows you to name one or more beneficiaries. You may change your beneficiary(ies) at any time by completing the *Option IV Beneficiary Change* (Form 41). If you are married, your spouse must consent to any changes that are made.

The certain period begins with the date of your retirement. If there is time remaining to the option you have elected, upon your death, payments will continue to be made in the same amount to your beneficiary(ies). For example if you elect the 10-year period, and die after 8 years, your beneficiaries will receive your monthly benefit for the remaining 2 years. Once the period certain has expired there is no continuing benefit for your beneficiaries. If you have named more than one beneficiary, the benefit will be paid equally to each named survivor.

Guide to Completing the Application for Defined Benefit Retirement

5. Beneficiary information

Your retirement benefit is for your lifetime regardless of the option you elect. You may leave a benefit for a beneficiary by taking a reduction to your pension benefit. You must name an individual, not an estate or other entity, when electing a payment option (Option II, IIA, III) that provides a monthly benefit to a beneficiary. The one exception to this requirement is that you may name a valid, irrevocable trust that has one individual as the trust's beneficiary. If you wish to name a trust as a Monthly Pension Beneficiary, please complete the [Certification of Trust for Monthly Pension Beneficiary \(Form DB-022\)](#); if you're naming a trust as your Monthly Pension Beneficiary, complete the [Certification of Trust for Monthly Beneficiary \(Form DB-022\)](#) and submit along with this form, and submit it along with this form.

Once you have chosen your option and receive your first payment, you may not change your election. In certain instances, you may change your beneficiary. Please refer to Section 4 in this guide for details.

If you are married, your spouse must understand and agree with the retirement option you have elected, and the named beneficiary if other than your spouse. Their signature is required in Section 9 prior to MERS issuing your first payment.

6. Banking information

Please provide routing and account information only for the financial institution you would like your pension payments electronically deposited to.

If you choose to have only one direct deposit account, only fill out the **Primary account** information. If you choose to have two direct deposit accounts, please fill out both the **Primary** and **Secondary account** information.

See below for a sample check and where to find routing and account numbers.

Routing number Account number

If you select a partial payment, the remainder will be directly deposited into a secondary account. Please fill in the **Secondary account** section with the financial institution's information.

7. Michigan income tax withholding

Michigan retirement benefits are subject to income tax for many recipients. This section is required to follow state tax guidelines for determining your withholding amounts. For additional information, visit www.michigan.gov/taxes.

8. Federal income tax withholding

General Instructions Federal income tax withholding

This section replicates information on *IRS Form W-4P* and serves as a substitute for that form. It is required by the IRS to be included in its entirety with this form. For additional information, go to www.irs.gov/FormW4P.

Purpose of this section is to withhold the correct amount of federal income tax from your MERS Defined Benefit pension. Federal income tax withholding applies to the taxable part of these payments. Periodic payments are made in installments at regular intervals (monthly) over a period of more than 1 year. For more information on withholding, see *IRS Pub. 505, Tax Withholding and Estimated Tax*.

Choosing not to have income tax withheld. You can choose not to have federal income tax withheld from your payments by writing "No Withholding" in the space below Step 4(c) then submitting this form.

Generally, if you are a U.S. citizen or a resident alien, you are not permitted to elect not to have federal income tax withheld on payments to be delivered outside the United States and its territories.

Caution: If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return. If your tax situation changes, or you chose not to have federal income tax withheld and you now want withholding, you should submit a new *IRS Form W-4P*.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Have social security, dividend, capital gain, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
2. Receive these payments or pension and annuity payments for only part of the year.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you (or you and your spouse) receive. If you do not have a job and want to pay these taxes through withholding from your payments, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Guide to Completing the Application for Defined Benefit Retirement

Payments to nonresident aliens and foreign estates. Do not use Form W-4P. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, and Pub. 519, U.S. Tax Guide for Aliens, for more information.

Tax relief for victims of terrorist attacks. If your disability payments for injuries incurred as a direct result of a terrorist attack are not taxable, write "No Withholding" in the space below Step 4(c). See Pub. 3920, Tax Relief for Victims of Terrorist Attacks, for more details.

Specific Instructions for Section 5 – Federal income tax withholding

Step 1. Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you have at least one of the following: (1) income from a job or more than one pension/annuity, and/or (2) a spouse (filing jointly) that receives income from a job/pension/annuity.

Example 1. Bob, a single filer, is completing this form for a MERS pension that pays \$50,000 a year. Bob also has a job that pays \$25,000 a year. Bob has no other pensions or annuities. Bob will use an *IRS Form W-4P* to enter \$25,000 in Step 2(b)(i) and in Step 2(b)(iii). If Bob also has \$1,000 of interest income, which he entered on *IRS Form W-4*, Step 4(a), then he will instead enter \$26,000 in Step 2(b)(i) and in Step 2(b)(iii). He will make no entries in Step 4(a) on this form.

Example 2. Carol, a single filer, is completing this form for a MERS pension that pays \$50,000 a year. Carol does not have a job, but she also receives another pension for \$25,000 a year (which pays less annually than the \$50,000 pension). Carol will enter \$25,000 in Step 2(b)(ii) and in Step 2(b)(iii). If Carol also has \$1,000 of interest income, then she will enter \$1,000 in Step 4(a) of this form.

Example 3. Don, a single filer, is completing this form for a pension that pays \$50,000 a year. Don does not have a job, but he receives another pension for \$75,000 a year (which pays more annually than the \$50,000 pension). Don will not enter any amounts in Step 2.

If Don also has \$1,000 of interest income, he won't enter that amount on this form because he entered the \$1,000 on the *IRS Form W-4P* for the higher paying \$75,000 pension.

Example 4. Ann, a single filer, is completing this form for a pension that pays \$50,000 a year. Ann also has a job that pays \$25,000 a year and another pension that pays \$20,000 a year. Ann will enter \$25,000 in Step 2(b)(i), \$20,000 in Step 2(b)(ii), and \$45,000 in Step 2(b)(iii).

If Ann also has \$1,000 of interest income, which she

entered on *IRS Form W-4*, Step 4(a), she will instead enter \$26,000 in Step 2(b)(i), leave Step 2(b)(ii) unchanged, and enter \$46,000 in Step 2(b)(iii). She will make no entries in Step 4(a) of this form.

If you are married filing jointly, the entries described above do not change if your spouse is the one who has the job or the other pension/annuity instead of you.

CAUTION:

Multiple sources of pensions/annuities or jobs. If you (or if married filing jointly, you and/or your spouse) have a job(s), or a different pension/annuity that pays higher than this MERS pension, do NOT complete Steps 3 through 4(b) in this section. Instead, complete Steps 3 through 4(b) on *IRS Form W-4P* for the job or highest paying pension/annuity.

If you (or if married filing jointly, you and/or your spouse) do not have a job or a higher paying pension/annuity, complete Steps 3 through 4(b) on this form for only this MERS pension.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see *IRS Pub. 501, Dependents, Standard Deduction, and Filing Information*. You can also include **other tax credits** in this step, such as the foreign tax credit and the education tax credits. Including these credits will increase your payments and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include amounts from any job(s) or pension/annuity payments. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your pension, see *IRS Form 1040-ES, Estimated Tax for Individuals*.

Step 4(b). Enter in this step the amount from the [Deductions Worksheet](#) (bottom of page 11), line 6, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes itemized deductions, the additional standard deduction for those 65 and over, and other deductions such as for student loan interest and IRAs.

Guide to Completing the Application for Defined Benefit Retirement

Step 4(c). Enter in this step any additional tax you want withheld from **each payment**. Entering an amount here will reduce your payments and will either increase your refund or reduce any amount of tax that you owe.

Note: If you don't provide any information in this Section 8, then MERS will withhold tax from your payments as if your filing status is single with no adjustments in Steps 2 through 4. For payments that began before 2024, your current withholding election (or your default rate) remains in effect unless you submit a new [IRS Form W-4P](#), including this substitute *IRS Form W-4P*.

9. Required signature(s)

Your signature acknowledges that you have read and agree to the terms of all elections. This voids all prior designations.

Spousal consent

If you are married, an election of Option II (Section 4) is effective unless another form of payment is signed by the spouse. Your spouse must understand and agree with the retirement option you have elected, and the named beneficiary (if other than your spouse). Their signature is required prior to MERS issuing your first payment.

Requests for changes to direct deposit, federal tax withholding, or state tax withholding must be received by MERS by the 1st of the month you are requesting change to be effective.

Worksheet to Estimate Withholding for Taxpayers Born After 1952 and Reached Age 67

(see Section 6 - Michigan Income Tax Withholding)

Recipients born after 1952 that have reached age 67 may choose to either (1) deduct the personal exemption amount and taxable Social Security benefits, military compensation (including retirement benefits), Michigan National Guard retirement benefits, and railroad retirement benefits included in adjusted gross income, or (2) claim a deduction against all income of \$20,000 if single or married filing separately, or \$40,000 if filing jointly. Benefits in excess of these limits are taxable. Complete ONE of the columns below based on your filing status to determine how much withholding is necessary on taxable benefits. Estimate your income this year based on last year's state and federal income tax returns even if you have not completed them yet.
