

Defined Benefit Plan

DEFINED BENEFIT FORMULA

Your defined benefit plan is made up of three components:

Final average compensation (FAC) is the average of your highest consecutive wages earned over a period of time determined by your employer.

Service credit is earned for each month of work that meets your employer's requirements.

Your **benefit multiplier** is a specific percentage adopted by your employer.

Your FAC, service credit and benefit multiplier can be found in your myMERS account.

CALCULATING YOUR PERSONAL BENEFIT

You can run projections of your benefit at retirement using the "Calculate My Benefit" option in your myMERS account.

The screenshot shows the myMERS account interface. On the left is a navigation menu with options like ACCOUNT DETAIL, CALCULATOR, INBOX, FILE UPLOAD, STATEMENTS, 1099 RECORDS, FORMS, PUBLICATIONS, CONTACT US, and I Want To... At the bottom of the 'I Want To...' section, the 'CALCULATE MY BENEFIT' option is circled in red. The main content area shows 'Account Detail - Summary' with a 'Retirement Benefit' section containing fields for Estimated Date (7/1/2020), Retirement Age (60), Years Until Retirement (1 Year 1 Months), and Earned Monthly Benefit (\$1,100.00). A 'Calculate My Benefit' button is also circled in red in this section.

BENEFICIARIES

One of the most important things you can do for yourself and your family is to name your beneficiaries for your retirement benefit, and keep them updated.

Three types of beneficiary designations:

- Monthly Pension Beneficiary**
One person who would receive a lifetime benefit if you are vested and die before you are eligible to receive your benefits. Your spouse is always your *Monthly Pension Beneficiary* unless they waive their right in writing.

The screenshot shows the myMERS account interface with the 'Beneficiaries' section highlighted. The 'Retirement Benefit' section shows the same data as the previous screenshot. The 'Beneficiaries' section lists: Monthly Pension Beneficiary (Joe Smith), Primary Refund Beneficiary (Sarah Jones), and Contingent Refund Beneficiary (Bill Smith). A 'Details' button next to the beneficiary names is circled in red.

2. Refund Beneficiary

A person, trust, estate, or charity that receives a refund of your employee contributions (plus interest) if you die *before* you are vested. If married, your spouse must be named your *Primary Refund Beneficiary* unless they waive this right in writing.

You'll also be asked to provide a *Contingent Refund Beneficiary* in the event your Primary Refund Beneficiary is deceased.

You can review and change your beneficiaries in your online myMERS account at www.mersofmich.com.

Steps to Apply for Retirement

1. Apply for Defined Benefit Retirement Online

You should complete the online retirement application through your myMERS account 45 – 90 days before your desired retirement date.

2. MERS Processes Your Application

It can take up to six weeks to review your file and begin processing your information. During this time, we are reviewing your application and verifying important information provided by you and your employer.

3. Receive Preliminary Benefit Calculation Estimate

We'll send a personalized preliminary calculation of benefits and a letter confirming your retirement elections.

What is the difference between termination date and retirement date?

Your **termination date** is the last day on which you are employed by your employer. Your MERS **retirement date** is determined by when MERS receives a completed application, with all required paperwork, and it is always after your employment is completely and permanently ended.

This publication contains a summary description of MERS benefits, policies or procedures. MERS has made every effort to ensure that the information provided is accurate and up to date. If this publication conflicts with the relevant provisions of the Plan Document, the Plan Document Controls. MERS, as a governmental plan, is exempted by state and federal law from registration with the SEC. However, it employs registered investment advisors to manage the trust fund in compliance with Michigan Public Employee Retirement System Investment Act.
