

WELCOME TO MERS!

To help you make sure you are on track to meet your financial goals, your employer offers you retirement benefits from the Municipal Employees' Retirement System (MERS) of Michigan.

WHO IS MERS?

MERS is a Michigan-based not-for-profit organization focused on providing you with reliable, low-cost, comprehensive retirement benefits for your future.

It's been our mission since we were founded in 1945 to support a secure retirement for those who serve Michigan communities. Today, we proudly serve more than 140,000 participants just like you, including firefighters, nurses, the people who plow our roads, keep our communities safe, and so much more.

A Commitment to Transparency, Accountability and Results

MERS is governed by an independent, elected board that operates without compensation. Members include:

- Three employees of participating municipalities, elected by membership
- Three officers of a participating municipality, elected by membership
- Two retirement plan experts with experience in retirement systems or investment management, appointed by the Board
- One retiree of the system, appointed by the Board

The MERS Retirement Board serves as the fiduciary of the funds and has oversight responsibilities for the System, in accordance with the state and federal laws that govern municipal retirement and employment benefit programs.

GETTING YOU READY FOR RETIREMENT

MERS is dedicated to helping you understand your benefits and providing the right resources to prepare for retirement.

Financial Wellness

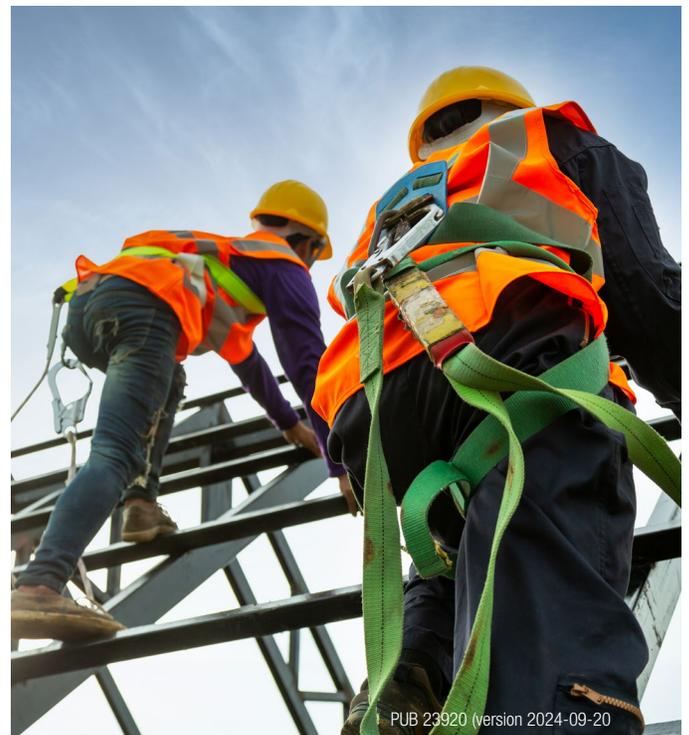

MERS defines being financially well as managing your day-to-day spending, controlling debt, having money set aside for an emergency, and having a financial plan for the future. Taking control of finances for both the present and future increases the likelihood of a successful and enjoyable retirement and relieves the stress that financial uncertainty can cause. MERS provides participants with access to a free Financial Fitness tool that helps you track your financial wellness.
